

SUMMER EMPLOYMENT OPPORTUNITY

NORTH PEACE APPLIED RESEARCH ASSOCIATION (NPARA) is a producer directed organization conducting applied agricultural research and extension in the North Peace.

We will be hiring summer staff to assist with our research and demonstration program. Duties will include establishment, maintenance and harvesting of research and demonstration trials, extension and public relations. The position will also involve data collection and operating machinery. Employment will be from July 3 to August 31, 2018.

Job qualifications

Ideal candidates will have an interest in agriculture, a strong work ethic, excellent communication and computer skills. Candidates should enjoy working outdoors and have the ability to work both in a team environment and under minimal supervision. Agricultural and machinery experience will be considered an asset, but is not imperative as training will be provided. Applicants must hold a valid driver's license and have a safe driving record.

Only those applicants contacted will be interviewed.
